

HAMPTON HILL

## ASSEMBLY INSTRUCTIONS

### Auburn Bell Shaped glass Pendant (Item# FB151-1179)

#### Caution:

- FOR YOUR SAFETY: Turn off the power to main electric circuit/ fuse box before beginning work.

#### Important Safety Instructions:

- **Professional installation is recommended for hardwired lighting. Incorrect installation can lead to fires.**
- These instructions are provided for your safety. It is very important that they are read carefully and completely before assembling fixture.
- We strongly recommend that two people install the lighting fixture.
- This fixture has been rated for up to (1) **60-watt maximum TYPE A bulb** (not included) or (1) **9W LED light bulb** (not included). To avoid the risk of fire, do not exceed the recommended wattage.
- This lighting fixture is intended for indoor, residential use.

#### Warning:

- To reduce the risk of fire, electrical shock or personal injury, do not turn on lighting fixture until light bulb is installed and assembly is complete.
- Always turn off the lighting fixture and allow it to cool before replacing the light bulb.

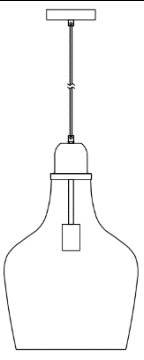

#### Care Instructions:

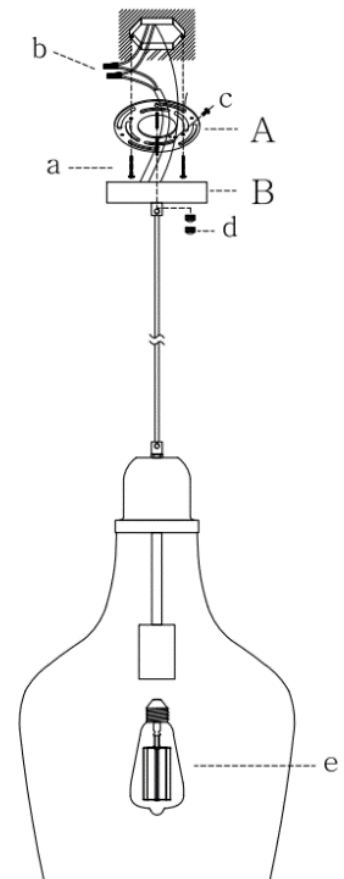

- Do not polish or use harsh cleaners as they may damage the finish.
- Wipe clean with a non-colored, lint-free soft, dry cloth.

## Pre-assembly:

- Remove all parts and hardware from box along with any plastic protective packaging.
- Check that all parts listed are included.
- Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

## Component List

Part Code	Components	Description	Qty
A		Mounting Plate	1
B		Lamp Body with Canopy	1

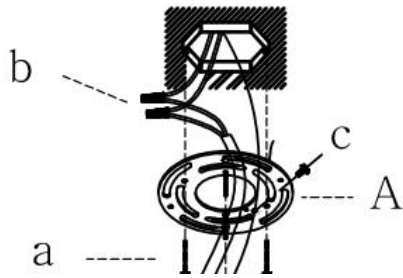

Part code	Components	Description	Qty
a		Grub Screw	2
b		Wire Nut	3
c		Ground Screw	1
d		Screw cap	2

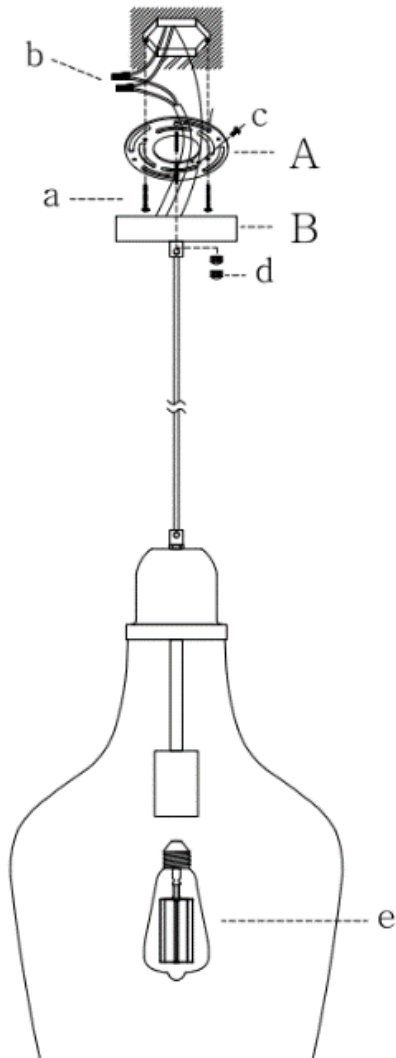

## Assembly Instruction:

Step 1. Unpack and place all parts on a surface or floor.

Step 2. Attach the mounting plate (A) to the outlet box with grub screws (a) and ground screw (c); Connect the wires with wire nuts (b).

Step 3. Enlist the assistance of a second person to support the weight of the lighting fixture, then elevate the canopy (B) to the ceiling. Secure it in position by fastening the canopy (B) to the mounting plate (A) using the screw caps (d).

Step 4: Thread the bulb (e) into the socket, ensuring it does not exceed the maximum wattage specified on the socket. Bulb is not included.

Step 5. Check everything is installed properly, then you can turn on the light. Enjoy!
