Good morning,

Thank you for reaching out in regards to your order. Upon review of the emails exchanged between you and Dustin, I would like to apologize for the miscommunication surrounding this order. I see as per his last exchange, you were expecting the order to ship by the end of last week. This rush was not communicated to our printing team and thus the order did not ship. Given that, we have a few options to proceed:

We can move the order up in queue to be shipped out on Tuesday January 16. No orders will be shipped by UPS on Monday the 15th due to Martin Luther King Jr Day, so the 16th is the earliest I can offer to ship the order. If you choose to proceed with this route, I will apply a 10% discount on the order in addition to the 6% discount Dustin already applied.

If that timeline does not work for you, we can also cancel the order and refund it in full.

Please let me know how you would like to proceed by 3pm Eastern Time today so I can liaise with our printing department accordingly. Let me know if you have any other questions or concerns at this time as well.

Sincerely,

--
Zach
