Hi Jessica,

Due to the large supply order for cartons & lids, I will need your approval to issue a PO for Pets.

The freight is included in the cost, right?  
Ordering 50 sets is fine.

Are we ok with the delivery schedule?

Thanks,  
Jane

Jane,

Mac Paper lowered about 15% for Ollie's closeout orders. The total boxes/lids we need for this order are 3000 sets. I plan to order 50 sets more, which is about 1.6% more. I can lower it to 1% if you want me to.

\$13.25/set x 3,050 sets = \$40,412.50

Since SV3 doesn't want to double work, they will start the re-work once the boxes/lids are delivered. In other words, after taking off the KS label and the add the sticker label to the second care label, the workers will load the bed directly to Gaylords.

Another vendor Piedmont National Packaging has not responded to my RFQ yet.

The boxes/lids we used for Beall's orders were purchase from Mac Paper. I confirmed with Kalef before he left Ship8 that Mac Paper's box quality is good enough for shipments.

Let me know if this is good to proceed or if you have more questions.

Thanks,  
KC

Thank you,

Chris

Correct Ship8. Not all of the addresses were moved over to the new account that was setup for Ship8 and we have delivered to several different addresses under OA0410.  
 Sorry for the back and forth but want to make sure the address is correct. The only address that is on file for SHIP8 is the 221 hanson way  
 So the 311 address is what I need to add to the account correct ?
