PROPOSAL

Ship8 Inc

QUOTE NUMBER: 00973579

THE ULTIMATE AIRFLOW SOLUTION

For more than 20 years, Big Ass Fans has set the standard for safer, more comfortable work conditions with airflow products purpose-built to excel in demanding environments. Our fans provide year-round relief from extreme temperatures, making people feel up to 10 °F (6 °C) cooler in summer and effectively circulating heated air in winter.

Engineered for efficient, maintenance-free operation and backed by unbeatable warranties, Big Ass fans deliver powerful airflow that keeps workers refreshed and productive. With a custom solution from Big Ass Fans, your business will reap the rewards of comfort and cost-savings for years.

Sales Tax

Sales Tax is strictly an estimate and may change based on the shipping address of the order; sales tax is also subject to the tax provisions of the "STANDARD TERMS."

Product	Description	Qty	Total Price
Ceiling Fan Kit, Basic 6, 24', 400-480V/3PH, 2.0HP, >725W, AFRS		1	\$5,500.00
	- Basic 6/PF8/PP8 Standard Industrial Mount Kit, 5-9 7/8" Beam Mount, 2' Extension Tube		

Subtotal: \$5,500.00
Tax: \$ 409.50
Estimated Shipping: \$350.00
Grand Total: \$6,259.50

STANDARD TERMS - NET 30 DAYS UPON APPROVAL

Shipping and handling is an estimate.

Our proposals include an estimate of applicable itemized sales taxes which Big Ass Fans is legally obligated to collect and remit. The final, actual amount of such taxes would only be known at the time the customer is actually invoiced for the order.

All products are subject to Big Ass Fans return policy. For full details visit bigassfans.com/returns

The Buyer must insure that product specifications are consistent with actual field installation requirements. Big Ass Fans product recommendations are based on product specifications as transmitted to the company. As such, Big Ass Fans is not responsible for inaccuracies between the communicated product specifications and actual field installation requirements. The Buyer of the specified products assumes responsibility for the cost of returning or exchanging specified product where specified product does not meet field requirements.

Any variations to product types or quantities (or omissions of existing light fixtures during the survey process – and now not represented in project) will be considered “add-on” and an additional material requirement. These add-on materials will be priced separately.

Big Ass Fans customers who have been approved for term credit and are invoiced for their orders may pay their invoice through one of our customary term credit payment methods of: Check, money order, wire transfer or ACH payment. Any such term credit approved customers who subsequently elect to pay their term invoice by credit card will also be charged a convenience fee for doing so. The exact amount of the convenience fee will be communicated to the customer before the transaction is processed and the card is charged. The Fee is calculated by multiplying the amount sought to be charged to the credit card by .03. (Fee = .03 x Total Amount Paid). If the customer elects not to pay the convenience fee, the customer may use one of the other payment channels alluded to above, free of charge.

Customer is responsible for paying all applicable state and local transactional taxes resulting from the sale. As a manufacturer of tangible personal property registered to do business in all 50 US States, Big Ass Fans is obligated to collect and remit applicable sales taxes and the transaction will be treated and reported as the sale of tangible personal property sold by a manufacturer.

To the extent that the Buyer takes any contrary position with any taxing authority subsequent to this transaction which results in additional and/or different transaction-based taxes for which Big Ass Fans is responsible, Big Ass Fans reserves the right to apply any sales tax collected to any such additional taxes due and/or invoice the Buyer for any other additional amounts due. Additionally, to the extent that applicable transactional taxes were not collected at the time of sale in reliance upon an Exemption Certificate or other exemption later found to be inapplicable by Big Ass Fans, in the exercise of its sole and absolute discretion, Big Ass Fans will invoice Buyer for any applicable sales or other transactional taxes.

Buyer covenants and agrees to promptly pay any such amounts to Big Ass Fans on the same terms and conditions as any other amounts owed to Big Ass Fans on the applicable Order.

The transaction and contract that is the subject of this Proposal shall be governed by the internal laws of the Commonwealth of Kentucky. Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

Upon sales agreement being signed and submitted, order shipment date changes may not be submitted or changed by the purchasing party within 10 business days of scheduled shipment. Scheduled shipment dates may not be changed within the final 10 business days of a given month. Should a customer require that a shipment date be changed within 10 business days of scheduled shipment or within the final 10 business days of a given month, Big Ass Fans reserves the right to decline the customer's request. Secondly, Big Ass Fans reserves the right to charge a monetary fee for any shipment date change request that falls within the representative windows described above. Reconsignment fees are as follows: \$50 for small diameter fan orders and \$500 for large overhead orders.

Evaporative Cooler (Cool-Space) orders are not able to be canceled outside of the same business day in which purchase has been confirmed. Customer assumes responsibility for all necessary reconsignment fees related to shipping &/or freight charges as a result of canceled orders completed outside of the hours of 8:00AM to 5:00PM EST on the same business day purchase occurs.

This Proposal and its Associated Terms may not be modified or added to, except by a subsequent writing executed by Big Ass Fans.

PURCHASING OR USING ANY OF OUR PRODUCTS & SERVICES INDICATES YOU AGREE WITH OUR [TERMS OF SERVICE](#) AND [PRIVACY POLICY](#). (FOR FULL WARRANTY, TERMS, AND CONDITIONS FOR ALL BIG ASS PRODUCTS, VISIT BIGASSFANS.COM)

Notwithstanding any provision to the contrary, neither party shall be liable to the other party (or any third party) for indirect, consequential, special, incidental, or punitive damages arising from the sale of the products or this agreement. In addition, seller's total aggregate liability under this agreement shall never exceed the value of the purchase order or the previous twelve (12) months of sales hereunder, whichever is less. This provision shall survive the expiration of termination of this agreement.

INTELLECTUAL PROPERTY

Big Ass Fans retains exclusive ownership of all intellectual property rights embodied by and/or associated with the products sold.

Construction Features

Airfoils	Motor and Drive ³	Certifications	Mounting	Multi-Point Safety ²	Colors
Six patented Powerfull airfoils (mill finish) Powerfull winglets eliminate wind noise (BAF yellow)	Industrial-grade motor and gearbox feature inline helical-cut gears for efficient, durable, and reliable operation; lubricated for life with synthetic oil Onboard NEMA 4X VFD eliminates RFI and EMI noise	UL Standard 507, and CSA Standard 22.2 No. 113	Standard upper mount installs to I-beams and bar joists Optional kits allow for mounting to solid beams and purlins	Double safety cable system, airfoil retainers, hub safety clips, Grade 8 hardware, fire relay, guy wires, and airfoil restraint system	Standard colors are silver and yellow. Individualize your fan with one of our classic color upgrades, or work with our design consultants to create a shade that's all your own.

Standard Controller

Construction	Controls
Made from durable UV-resistant materials Rated IP55 Intuitive touchscreen interface	On/Off and variable speed control Password protection Powered by fan drive

Standard Controller

¹ Weight does not include mount or extension tube.
² Measure the distance from the lip of the winglet to the ceiling or major obstruction.
³ The VFD is not preinstalled on the fan. Mounting the VFD onboard the fan requires field installation.
⁴ Airfoil restraint system comes standard on 20–24 ft (6–7.3 m) fans and is an option for smaller diameter fans. The fire relay must be wired during install if required by local code.
 Guy wires are included with fans that have extension tubes 4 ft (1.2 m) or longer.

Lead lines may vary
