MCC Service Installer Name: MATT HOUSTON AND TRAVIS YOCCO
Day of Service: 7.18.2024

Services Performed: Went out and met with Patrick at the gate. Had him lead us back to the Service Entrance where the Break Room door is near. We were able to shim and hinge doctor the door to get it back flush with the frame. Patrick mentioned they may call us back to go ahead and order a continuous hinge to have us install on the door. Waiting on their call. The kick plate and push plate with the pull handle was installed on door to take the place of the lever lock. The other kick plate was given to Patrick to make sure it was directed to the correct opening.
