Wiring issues possibly // Customer req via Eric W - Patrick A

This time has been added to quote 934005701

WORK PERFORMED: Located truck moved to work area truck kept coding out 1112 1521 had to keep restarting after it coded checked batteries they were low/dry on water watered batteries placed on charge will recheck in the morning

Chris Mangieri (2024-10-07)

Arrived to customer location located truck removed from charger it showed 100% lifted all the way to stop and it dropped down to 65% no codes and it operated correctly. In battery box on LH side of lift there is x3 old batteries that were dry on water will quote to replace those batteries believed to be the reason for the SOC drop.

Chris Mangieri (2024-10-08)
