This package contains Lithium Ion cells or batteries. This package must be handled with care. A flammability hazard exists if the package is damaged. Special procedures must be followed if the package is damaged, including inspecting and repacking if necessary before shipment continues. If the battery or cell is damaged, the package must be repacked and returned to the shipper via ground transport. Damaged lithium batteries are forbidden for transport by air in accordance with IATA Special Provision A154. Telephone number for addition information: 1-800-535-5053
