CUSTOMER: Ship8 Logistics (AR#:4SHIP810)
STREET: 311 International Trade Pkwy.
CITY: Port Wentworth, GA 31407
CONTACT: James Burford

DESCRIPTION: RFP to PM ice machines in building 550
CALL TYPE: PRSQ
TROUBLE REPORTED: Project Speed Quote
WORK PERFORMED: Complete chemical cleaning and sanitation for both ice machines in breakroom. Smaller bin machine fill valve wasn't working so I removed it and disassembled to find it clogged with sediment. Cleaned and reassembled. Reassembled machine and completed cleaning.

WARD;JASON D. on Mar 3, 2025

Check in upon arriving. Removed parts from ice machine and begin cleaning. Will complete chemical wash on Monday. WARD;JASON D. on Mar 2, 2025

- ◆ Isolate electrical and water.
- ◆ Remove any ice from the storage bin.
- ◆ Disassemble unit for cleaning.
- ◆ Clean hoses, curtain and interior surfaces.
- ◆ Wipe down exterior as needed.
- ◆ Run Nickel Safe cleaner through system to clean and sanitize.
- ◆ Reassemble parts and fill with water.
- ◆ Restore electrical and water.
- ◆ Start unit, allow 3 batches of ice to be made and harvested; dispose of this ice.
- ◆ Verify unit operations are normal.

Assumptions

- ◆ Scope excludes anything not explicitly detailed in this quote.
- ◆ All labor to be performed during normal business hours (8am-5pm)
- ◆ Pricing includes delivery of parts to repair location.
- ◆ Price excludes credit card fees. WARD;JASON D. on Feb 14, 2025
