Work Performed

25.29
 By: Jonathan Gambrall, Date: 2025-07-17

arrived on site. customer had genie in maintenance area. instructed on work, customer supplied parts. parked genie. released side panel. took picture of wiring layout. removed lead acid batteries. installed AGM batteries. wired up, installed cables. tightened down connections. mounted door. went to service menu options to check charger menu. menu is not listed, no option for changing charger set up like newer genies. tried calling genie service support, long hold time. customer ran out of time, building closing down. sent email to product support in mean time.

By: Jonathan Gambrall, Date: 2025-07-17

product support responded. DeltaQ charger is required for profile changes. Battery install was completed.
