For exports from the U.S. the following applies:

These commodities, technology or software (items) were exported from the United States in accordance with the Export Administration Regulations. Diversion contrary to U.S. law is prohibited. These items are not to be used, directly or indirectly, in prohibited nuclear, chemical/biological or missile weapons activities.

For domestic shipments the following applies:

These commodities are sold for domestic consumption. Any export of these commodities must be made in compliance with applicable U.S. laws.
