Estimate details

Estimate no.: 2024472
Estimate date: 10/15/2025

| # | Product or service | Description | Qty | Rate | Amount |
|----|--------------------|--|-----|-------------|-------------|
| 1. | Services | As per job walk on 10/15/25 with Alex at Tide court location. Tie into existing sub panel in adjoining unit 480 volt panel. Provide hardware for mounting 225 amp breaker and breaker in existing GE panel. Provide and install chase from GE panel to new 225 amp panel meter main. Provide and install conductors to power up new panel. New panel will have a meter main. We will need access to building on both sides for installation. Work to be performed after hours. We will need someone from each building to let us in and lock up after install. Power will be shut off for installation. City/County permits, and or fees are not part of this bid. price includes expediting panel build. Panel build could be 3-5 days from acceptance. | 1 | \$14,875.00 | \$14,875.00 |
