Hi Alexa,

Noted. Please help arrange a new rework request for these items with available inventory.

Since the China team is currently on holiday, we are unsure if we will receive the rework request by Monday.

The shipping window for BOSCOVAPLWHS PO 681472 is Feb 19 - Feb 25. It needs more time for rework and order release, we probably won't ship on time.

We may need to extend the shipping window. Thanks.
