

We would like to add the Territory/Region information from the Macola ERP customer profile setup into the EEC customer profile. This will allow EEC to create an additional filter in the A/R Aging Analysis Report by adding a Territory/Region dropdown option.

我們希望將 Macola 客戶檔案設定中的 Territory/Region (如以下截圖所示) 資訊新增至 EEC 客戶檔案中。這樣 EEC 就可以在 A/R Aging Analysis Report 中新增 Territory/Region 下拉篩選功能，方便AR Team依Territory/Region 地區進行篩選與分析。

The screenshot displays a web browser window titled 'Maintain customers - Macola' with the address bar showing '192.168.0.175'. The application interface includes a menu bar (File, Edit, Help) and a toolbar. The main content area shows the customer profile for 'TGTDVS - TARGET.COM TGTDVS'. The profile is divided into several sections: 'General', 'Logistics', and 'Contact'. The 'Logistics' tab is active, and the 'Region' field is highlighted with a green border. A red arrow points to the 'Region' field from the 'Logistics' tab. The 'Region' field contains the value 'MN'. Other fields include 'Name' (TARGET.COM TGTDVS), 'Status' (Active), 'Classification' (HOM - Home Textile Customer), 'Address 1' (PO Box 9493), 'City' (Minneapolis), 'State' (MN - Minnesota), 'Country' (US - United States of America), 'Resource' (1 - Administrator), 'Credit limit' (10,000,000), 'Line discount %' (0.00%), 'Method' (Check), 'Payment condition' (60 - Net 60 Days), 'Start date' (07/23/2010), and 'Status Since' (07/23/2010). The 'Contact' section shows 'Name' (Mr. --), 'Job title' (--), 'Phone', 'E-mail', and 'Language' (EN - English).
