

We would like to add the Territory/Region information from the Macola ERP customer profile setup into the EEC customer profile. This will allow EEC to create an additional filter in the A/R Aging Analysis Report by adding a Territory/Region dropdown option.

我們希望將 Macola 客戶檔案設定中的 Territory/Region (如以下截圖所示) 資訊新增至 EEC 客戶檔案中。這樣 EEC 就可以在 A/R Aging Analysis Report 中新增 Territory/Region 下拉篩選功能，方便AR Team依Territory/Region 地區進行篩選與分析。
