Please request extension for Kroger PO#'s: 28619 & 17591 to ship 5/27/26

I know Kroger is SHIP on START SHIPDAT usually but....this got released for Processing 5/21 with a ship date of 5/26, with the Holiday on 5/25 to give is a day and a half to process due to weekend and Holiday.

This has been happening lately with Kroger, only giving 2 days to process and ship by ship date.
