All,

Please see below, incorrect pricing is on the orders below which need to be revised. The correct unit price is \$6.66 and the carton price would be \$13.32.

Keith

Below PO has price issue, the domestic price for below items is 6.66, could you pls ask buyer to make revision and re-EDI?

These qty might be Kroger BTS order, but the original qty for each item is 930 sets, could you pls double check with FM if there will be more domestic PO coming? Thanks!
