Importance: High

All,

Please see below message and advise which option you prefer due to incorrect comforter pricing.

For price revised from a low price to a higher price, we need revised 850 with correct item price. Since Kroger POs won't send revised 850. Here are the options:

- 1.Cancel items with price issue and ship the rest in PO, open new POs for those cancelled items.
- 2.Cancel whole POs, and rewrite new POs to replace.

Emrie,
Unfortunately , you used DI price not domestic price, please correct and see below.

There is price error on below Kroger BTS comforter POs. They used DI price but should be updated to domestic price marked in yellow below.

The other 4 POs listed below have correct prices though.

- 18542
- 29336
- 29338
- 29339

Thanks

Keith
