Terms and Conditions

1. Company warrants that the workmanship hereunder shall be free from defects for thirty (30) Days from date of installation in addition to any manufacturer's warranties. If any replacement part or item of equipment proves defective, Company will extend to Client the benefits of any warranty Company has received from the manufacturer. Removal and reinstallation of any equipment or materials repaired or replaced under a manufacturer's warranty will be at Client's expense and at the rates then in effect. Company warrants the title to the materials and equipment furnished to the Client pursuant to this Agreement.
2. Client shall permit Company free and timely access to areas and equipment and allow Company to start and stop the equipment as necessary to perform required services. All planned work under this Agreement will be performed during Company's normal working hours.
3. Client will promptly pay invoices within thirty (30) days of receipt. Should a payment become thirty (30) days or more delinquent, Company may stop all work under this Agreement without notice and/or cancel this Agreement, and the entire Agreement amount shall become due and payable immediately upon demand. Furthermore, Client shall purchase and maintain insurance covering all interests of the Company in the work, naming the Company as a loss payee and entitling the Company to receive payment including the total unpaid balance of the Agreement Price in the event of loss or damage including, but not limited to, loss or damage caused by fire, theft, vandalism or other perils. 6. Any alteration to, or deviation from, this Agreement involving extra work, cost of material or labor will become an extra charge (fixed-price amount to be negotiated or on a time-and-material basis at Company's rates then in effect) over the sum stated in this Agreement.
7. In the event Company must commence legal action in order to recover any amount payable under this Agreement, Client shall pay Company all court costs and attorneys' fees incurred by Company.
8. Any legal action relating to this agreement, or the breach thereof, shall be commenced within one (1) year from the date of the work.

10. To the fullest extent permitted by law, Client shall indemnify and hold harmless Company, its agents and employees from and against all claims, damages, losses and expenses, including but not limited to attorneys' fees, arising out of or resulting from the performance of work hereunder, provided that such claim, damage, loss or expense is caused in whole or in part by any active or passive act or omission of Client, anyone directly or indirectly employed by Client, or anyone for whose acts Client may be liable, regardless of whether it is caused in part by the negligence of Company.
11. Client shall make available to Company's personnel all pertinent Material Safety Data Sheets (MSDS) pursuant to OSHA'S Hazard Communication Standard Regulations.
12. In the event such substances, wastes and materials are encountered, Company's sole obligation will be to notify the Owner of their existence. Company shall have the right thereafter to suspend its work until such substances, wastes or materials and the resultant hazards are removed. The time for completion of the work shall be extended to the extent caused by the suspension and the contract price equitably adjusted. Company expressly disclaims any and all responsibility and liability for the indoor air quality of the Client's facility, including without limitation, injury or illness to occupants of the facility or third parties, or any damage to the Client's facility, arising out of or in connection with the Company's work under this agreement, including without limitation any illness, injury or damage resulting in any manner from any fungus(es) or spore(s), any substance, vapor or gas produced by or arising out of any fungus(es) or spore(s), or any material, product, building component or structure that contains, harbors, nurtures or acts as a medium for any fungus(es) or spore(s).
