Dear E&E/JLA Customers,

Orders will continue to be impacted today and likely for the balance of the week out of our two Port Wentworth, GA

Hurricane Idalia is passing through GA at this time and we expect the storm to continue to impact the Savannah/Port Wentworth area through this evening. The state of GA remains under a state of emergency and we will follow all state mandates.

The Port of Savannah was closed this morning and projected to re-open tomorrow as well. UPS/FedEx/USPS are providing updates and any carrier related delays once we re-open.

Our plan is to re-open our 550 Northport Parkway and 311 International Trade Parkway DC's tomorrow at 9:00 AM

Thank you for your understanding.
