Hi Jessica/Josh,

Please help and ask the warehouse to accept the load for PO# 001710718213.
Due to height constraints, we can only use a single pallet.

I am attaching a copy of the approval letter with my email.

Thank you.

Hello,

Approved for Depots with unitized bundles on a single pallet due to height constraints.

Thanks,

Please find the attached CAD.

We would look to wrap the goods into unitized bundles. We would like to plan to ship double stacked bundles on one wooden pallet.

Due to the height we are concerned that including a second wooden pallet would be too tight for the regions to offload the goods.

Let me know if this is workable.

Hi Alex,

Unfortunately, I do not have any control over what Costco rejects. Please get with your Costco rep/ buyer on this. I have the product at a Costco approved storage facility. Please get with the buyer, so we know how to proceed.

Thank you!
