Hi Peter, I thought this was sent yesterday but it was in my draft.

I found the communication below from the buyer and MA. There were a few changes that needed to be adjusted, and they both confirmed they were completed.

On a side note, I have a question about the invoicing- on the invoice it says that BR10-3861CA is \$75.00 each (last JLA number). The item should be \$35.00. This is the line we are disputing. Please advise.

Thanks
Nancy

Good Morning Raecene,
Noted on the WR plaid. I will have them remove it.

Also, can you please make one more adjustment in orange (attached and below). The vendor numbers need adjustment and units adjustment:

Hi all,

I will have to cancel the Plaid style.

It is too late to sell before Xmas markdowns. I was under the impression we could have this shipped asap and hit the Nov timelines when I committed Nov 1st. It's 3 weeks later to ship from your warehouse to our DC - and another 2 weeks to ship out to our stores.... Timelines are too long to for seasonal product.

Raecene - I will confirm the style / units tomorrow.

Thanks,
Alanna

Hi Raecene – thank you for your quick response. I was about to call you when the email came in. Can you please provide your ext so I have it in case I need to reach you.

We won't be able to do Nov 15-17 because the 16 and 17th are on the weekend. Our warehouse manager advised:

“We will process the orders on Thursday & Friday and ship them out on Monday, the 18th. Worst case scenario, please request the Cancel Date for the 19th (just in case...), i.e. 11-15 – 11/19. We will still target for the 18th.”

Will this work on your end? Please advise asap so we can start on the orders (entering in our system).

Thank you,
Nancy

I will make the adjustments to the qty, but I would like to follow up and the ship window, is it possible to prioritize some POs with the ship window of 11/15 – 11/17 and have the other ship out later?

Hi all,

I will circle back if these do well and look at the variances again. My intention was not to buy all - was only buying to what I think would sell. I did edge some units up already from your previous request.

Racene will make the adjustments. We really need this to ship out asap to hit our month end. Raecene what dates do we need for Nov Lp?

Thanks,
Alanna

Hi Alanna,

Thanks again for the orders. I will need a few things added in order before it can ship out:

- 1, They are missing our vendor numbers. I've included the vendor numbers on the deal summary sheets in yellow. Please add and confirm.
2. We did another count. We will need a few adjusted. I included a column that reads "Please adjust to" in Yellow. Please adjust and confirm.
3. We will need the ship dates to read 11.18.24 to 11/23/24. It takes 24 hours to change in our system once all changes have been made. It will take up to a week to pull inventory.

After our count, we found some extra units. If you are interested in adding on to your order , please let me know.

Hi Alanna,

Thank you; I understand.

Please issue PO's and we will ship as soon as we can. If you can issue PO with ship date starting in a week from when the PO is issued, that gives us enough time to pick/ pack/ book shipping appt with TJX.

ON the list there are some Ink & Ivy designs that would be perfect from Spring – especially Imani (image below) which is consistently one of our top selling beds in this brand (we have it in 3 colours) Would you be interested in these for a later ship date?

Also, do you have the name of the lighting buyer, as we do have some chandeliers & lamps we would like to offer to TJX.

Nadine

Hi Alanna,

I appreciate you getting back to me with this and thank you for your offer!

I'm able to accept everything, but on the Woolrich, could you increase your units and take everything?

Also, I noted the piece count where necessary (3pce) and fabrication (100%polyester – faux fur)

Thanks,

Nadine

Attached please find the excel sheet with pictures - there are multiple tabs as I broke it out by 'brand'.

You can enlarge most of the pictures to get a better look at the product detail or I can send you better images.

I listed our wholesale price from our Canada DC and did 50% off across the board. Quantities are listed on the worksheet. Let me know what you would be interested in taking.

If you have any questions please let me know.

***updated Lauren's email as I had it incorrect on the original email.**

Hi Tammy - Thank you for the info that Adam is buyer for TOB

Adam/ Lauren:

I have lots of domestic inventory for TOB that I need to sell.

My original email... "Let's make a Deal!"

We have lots of juvi, youth & adult bedding in our domestic warehouse (located in Georgetown, ON – near to Hwy 401 and James Snow Parkway), that I need to clear ASAP to make room for incoming containers.

I can offer extremely low prices if you can take goods this month.

Best thing would be if you could come meet at the office as I have pulled a sample of each comforter in its packaging.

Let me know if you are interested and when you could come in.

Thank you,
Nadine
