You don't often get email from yanxiaoying@scmhome.com. [Learn why this is important](#)
Hi Amanda,

I am requesting extension now, will keep you updating.

Please do not delay routing.

Thank you!

Lucy,

Please can you review the pick and pack attachment, I am wondering if the store 00018 is asking for 1 box instead of 4? , I we make for boxes the rework pieces are not going to be enough to cover the pick and pack.
