Hello,

We are reaching out to obtain a pickup appt for the below shipment(s) \*note each line is a separate shipment and will need its own BOL. Please provide your first available date, ready time and closing time so we can send in the carrier identified below to be loaded

\*\*The below chart includes the routed pallet count(s), if these have since changed, please provide and highlight changes on the chart.  
 \*\*The below chart will state the number of trucks being sent in for the following(listed A,B,C,etc). If a hard appt is required, please bundle orders with same truck number onto one appt.

| InsertDate | Shipment | CustomerReference | PONumber  | PickupNumber | EarlyPickupDate | OriginName | OriginCity | OriginState | SpecialNotes | U |
|------------|----------|-------------------|-----------|--------------|-----------------|------------|------------|-------------|--------------|---|
| 5/5/2025   | A        | AMS75357793S      | 2575V8-01 |              | 5/7/2025        | E E CO LTD | WOODLAND   | CA          |              | 1 |

if using a BOL other than what we'll provide, Please be sure to list all BOLs as THIRD PARTY billing:
