Hi Sara,

The ocean transit time for our Oct Wk3 orders is shorter than originally expected. The current ETA is showing 10/3 and 10/4, while the shipping window is 10/13–10/18.

Would you be able to approve updating the ship window to 10/6-10/11 and adding exemptions for not having containers available for pickup on the first day of the ship window?

Details are below.
