15778963	74493380	00890	8/18/2025	8/23/2025	

Transportation	TR035	Domestic PO with actual ship date past original cancel date; prepaid shipments required to arrive no later than 5 days after original cancel date (Extended cancel date does not exempt from this charge)	\$150 admin fee plus 10% of PO shipment
----------------	-------	---	---

**Purchase Order Accumulation and Order Synchronization**

- Kohl's desires all vendors to ship Purchase Orders on the PO Start Ship Date.
- Kohl's standard ship windows are as follows: Monday start ship date, Saturday PO cancel date
- Vendors should accumulate requests and request routing ONE time prior to the start ship date, Vendors must request routing no more than ONE time per week per Kohl's distribution center
- If shipping multiple POs in the same week, vendors must release purchase orders together by DC destination to create full trailer loads up to 3600 cube and/or 42,500 lbs.
  - o For directions on how to release multiple POs together by DC, please refer to pgs. 16-22 of the [Step by Step User Guide](#) as found on K-Link (link.kohls.com).
- Multiple requests for routing within the same week are subject to a multiple request for routing/failure to consolidate penalties
  - o Note: If pickups are scheduled on the same or consecutive days from the same origin to the same destination, you must notify [TMS@kohls.com](mailto:TMS@kohls.com) of this issue
- All shipments submitted to TMS must be scheduled at a trailer load level (3,600 cube/42,500 lbs.) or less

**Routing Communication from Kohl's**

- Routing for full truckload, small package and prepaid shipments are typically returned within 24 hours from the routing request in most cases
- Routing tender communication is found in Transplace and it is the responsibility of the vendor to monitor the TMS system for completed routing instructions.
- When entering PO's for routing please be aware of when freight will be ready for carriers to pick up.
- Example: PO has a ship window of 11/17-11/22 and you know your freight will not be ready until 11/20, reflect your ready date as 11/20. (Please be aware that if you give a 1 day ship window of Friday you are making it harder for a carrier to accept that load and for them to be able to pick up before the cancel date)

Subject: Re: E & E CO - KOHLS LOADS #911474547

All loads must be scheduled by EOD Tuesday of the ship window which was 8/19. Based on below email you contacted the carrier on 8/21 which is AFTER the deadline. Please note all loads not scheduled by EOD Tuesday may be cancelled and charges may apply.

#### **Truckload, Multi-Stop or Consolidation Modes**

- Kohl's assigned carrier will contact the vendor to schedule a pick-up
- **If the carrier fails to contact the vendor, it is then the vendor's responsibility to contact the carrier within 2 business days of the tender accept mode in External Shipment Monitoring in TMS**
- Carrier contact information is located at External Shipment Monitoring in TMS
- Carriers may pick up the shipment any time between the Earliest Available Date and the Latest Available Date entered into TMS by the vendor

#### **LTL Modes**

- **Vendor must contact the carrier located at External Shipment Monitoring in TMS within 24 hours of receiving routing instructions**
- The TMS Mode Execution Number (ME #) or TP Load # must be provided to the carrier
- ABF shipments must be destined for DCs or eFCs only
- ABF shipments cannot ship to a consolidation facility
- VICS standard BOL is required per Kohl's Bill of Lading Example section of this publication
- An ME / TP load number is required on the BOL
- Kohl's assigns 1 (one) ME / TP load number per destination
- An ME / TP load number cannot be reused for multiple shipments and/or different DCs or eFCs
- Failure to list the ME / TP load number will result in vendor compliance chargebacks

Thank you,

Hello Amanda

Thank you for your email. Based on our records, we contacted the carrier to confirm the pickup as requested on 8/21. However, the carrier missed the scheduled pickup for Friday 8/22, and we reported this issue within the 24-hour window on Monday 8/25, as the warehouse is closed on weekends.

From our perspective, we believe the vendor followed the correct procedures. Could you please clarify what specific issues you observed or any additional details you need from us? We appreciate your assistance in resolving this matter.

Thanks

Best Regards

Ping Gao

Amanda,

In the attached email we reach out to carrier on Thursday of last week. They confirmed on Friday morning, and we confirmed shortly for an 8/25 pickup.

We are constantly reaching out to gilbert west to pick up loads and schedule them to come in for freight.
