Make sure notation of authorized use of pallets are in the notes. Keep a copy of the email approving use of pallets in case we get a CB. The email will be used to dispute the CB.

Thank you,

Please make a note of below when shipping on pallets.

This is very important is the carrier is LTL we need to reach out to BLK and let them know the pallet count.

Do you have the cheat cheat notes?

Thank you ,

Pallets have been approved. Please see below:

Notes:
*Vendor should note reason for palletization on the BOL (ex. Carrier Convenience)
*Vendor should note pallet count on the BOL
*Vendor should note pallet weight separately from product weight on the BOL
*Vendor should note number of total cartons (per shipment) on the BOL
