Subject: BELK PO routing

Hi BELK traffic

We have POs below that we would like to ship on Friday 12/21 to meet buyer expectation. But due to 72 hours routing requirement it is too late to route at this point for 12/21 without incurring chargeback correct?

Is it possible that you waive routing CB for this time since next week is Christmas holiday, and soonest we can route to ship is 12/26, and Pos have 12/27 cancel date.

Thanks,

David Pham
