Yes that would be fine, keep this chart in mind in the future because they are about to really start cracking down on routing.

Thank you,

Hi Nycole

To prevent routing delay, is it OK if we route what we can for now, and then route the remaining 2 POs once buyer extend them?

Thanks,

David Pham

You will need to have the buyer extend this, I am unable to.

Thank you,

Hi transportation,

I'm trying to route below PO's there's 2 PO's that are not extended in the portal for me to route please see below screen shot.
