Hi Rachel

We don't need to add this PO to another shipment, as there are no other BELK shipment shipping on 7/18.

Can you advise who will be the carrier for this PO5650233?

I have not seen the completed form. If you want to add 15 cartons to an existing shipment that is shipping out on 7/18, then you need to fill out the 'add POs to a shipment' form below. Include the SID# that you want to add the PO to and then the updated quantities once the PO has been added.
