Hi Kari,

Yes please route ASAP and let us know if pickup can't be scheduled before the cancel date and we'll go from there.

Thanks,

Hi Drew,

We have issue on PO-12224431 (211) that was missed routing last week. Would you like us to route today and see if it can be included on the 6/21 pick up? Or, would it be okay for you to change the SW to 6/24-6/29? We could route today or tomorrow latest and then hopefully a pick up could be scheduled soon. Additional details are in the email below.

Please let us know how we should handle this situation. Sorry for missing this PO on routing.

Thanks,

Kari

Subject: Urgent Issue with Kohl's Batch B20190610145654

Importance: High

Distribution,

We have an issue with Kohl's Batch B20190610145654.

This batch contains PO 12224431 and 12224437.

We have just discovered that PO 12224437 was routed, but **PO 12224431 was not routed.**

Kohl's has assigned carrier to pick up PO 12224437 this coming Friday 6/21.

Our deadline for routing is the Thursday (the week prior to the PO start ship date)

this was missed for PO 12224431.

Cancel date on this batch is 06/22.

Should we route today? Await extension?

PO 12224431 has been picked, labeled, and staged.

Please advise.

Thank you,

Mike Wilson
