

Hi Helita,

Those items are setup several years ago, original project setup record has been removed by WF in portal, we could only provide the original setup project ID of MP122-1062 for WF to check.

And below screen shot indicates the color name on WF extranet is correct, also the images are consistent with the product on website, thanks

Manufacturer Part Number	Project ID	Color	SKUs	UPC
MP122-0097	No record	Pecan	LGLY4851	675716844844
MP122-1062	Project ID 958688	Natural	LGLY4851	086569424822

WF Extranet

Part Number	Variant Name	Product Status
 MP122-0097	Pecan	✓ Live

Variants

Part Number	Variant Name	Product Status
 MP122-1062	Natural	 Live . Warning
