New Promotional Financing Plans

Eligible card purchases may be billed under one of the following promotions: No Interest for 6, 12, 18, 24 or 30 months. For each promotion, after the promotion ends, a 28.99% APR will apply. If a (v) is shown after your APR in the Interest Charge Calculation section of this billing statement, the APR is a variable rate and will vary with the market based on the Prime Rate. Minimum monthly payments are required. See promotional advertising for further details.

Eligible card purchases may be billed under one of the following promotions: No Interest if Paid in Full Within 6, 12, 18, 24 or 30 months. For each promotion, if the promotional balance is not paid in full within the promotional period, interest will be imposed from the date of purchase at the APR that applies to your account when the promotional purchase is made. For each promotion, after the promotion ends, a 28.99% APR will apply. If a (v) is shown after your APR in the Interest Charge Calculation section of this billing statement, the APR is a variable rate and will vary with the market based on the Prime Rate. Minimum monthly payments are required. See promotional advertising for further details.
