Hello Amber,

Your return number is (CRL1210-R1/SF20230310008) (CRL1199-R1/ SF20230310009). Please write these numbers on the outside of the box. Please note that the return shipping is the customer's responsibility. Once the return tracking number becomes available, email it to service@croscill.com.

Please be advised once a return has been received, our warehouse inspects all returns, to ensure that items are not damaged etc. and are in their original packaging. They will then process the paperwork and forward onto our Customer Service team to process the refund. The whole process takes approximately 15-20 business days. Once your refund has been processed you will be notified by email.
