This Quote, as defined below, is based on the information provided to C.H. Robinson. Estimated transit time reflects carrier published service standards or otherwise reflect the reasonable dispatch required to travel from origin to destination. The actual charges will be determined by the actual shipment characteristics. Other factors which could affect the rate and charges are actual carrier routing, special transit requirements, and any applicable accessorial charges.

This quote will serve as formal written quotation by C.H. Robinson of the estimated transportation charge for your truckload, less-than-truckload, intermodal, or consolidation shipment ("Quote"). The Quote is based on the information you provided above ("Shipment Information"). The Quote shall be null and void if any of the Shipment Information is incorrect, incomplete, or inaccurate as determined by the underlying third party transportation provider or C.H. Robinson. If you choose to transport this shipment with C.H. Robinson, you agree to be responsible for all additional charges related to this shipment resulting from incorrect, incomplete, and/or inaccurate Shipment Information used to create this Quote. Less-than-truckload shipments may be subject to additional charges if it occupies more than 12 lineal feet of trailer space or occupies 750 cubic feet or more with an average density of 6 pounds per cubic foot or less. Certain shipments, including trade show shipments, generally require additional services and therefore incur additional accessorial fees. All domestic U.S. air shipments will be subject to C.H. Robinson's Domestic Air Service Terms and Conditions. IF YOU DO NOT AGREE WITH THIS QUOTE, OR HAVE ANY QUESTIONS ABOUT YOUR SHIPMENT OR POSSIBLE FEES AND CHARGES THAT MAY APPLY, PLEASE PROMPTLY CALL THE C.H. ROBINSON REPRESENTATIVE THAT PROVIDED THIS QUOTE.

Unless otherwise agreed by C.H. Robinson in a written agreement for transportation brokerage services, C.H. Robinson is not agreeing to be liable for and expressly disclaims any and all liability for cargo loss, damage, and/or delay. The assigned third party transportation provider's liability for cargo loss or damage shall be determined in accordance with 49 U.S.C. §14706. If liable, the assigned third party transportation service provider's maximum liability in the event of cargo loss or damage is limited to the full actual value of the damaged goods. Liability shall be further limited to an amount not to exceed, (i) for less-than-truckload shipments of new goods the maximum amount per pound set forth in the Quote, or if not stated, no more than Ten Dollars (\$10) per pound; (ii) for full truckload shipments of new goods, the amount of One Hundred Thousand Dollars (\$100,000) per shipment; (iii) for rail shipments of new goods, the amounts set forth in the underlying rail carrier's rule circular; and for consolidation shipments, an amount not to exceed \$3,333 USD per pallet position. A pallet position is defined as a 40"(w) x 48"(l) and a weight not exceeding 1,850 lbs. In all cases of the transportation of used goods, regardless of mode, liability for cargo loss or damage shall be limited to an amount not to exceed the maximum amount of Ten Cents (\$0.10) per pound or Ten Thousand Dollars per shipment, whichever is lower. Claims can be denied and the amount paid can be less than the full actual value of the shipment based on, but not limited to, applicable tariffs, common law exceptions, released value provisions, liability limitations, and commodity restrictions. For details please contact your account representative. In the event of cargo loss or damage, customer must notify a C.H. Robinson representative within 72 hours of specific loss or damage of the shipment.
