**INSTRUCTIONS READ CAREFULLY - OPERATE HEATED BLANKET LABEL SIDE UP**

**IMPORTANT:** Please read the enclosed **USER MANUAL** for ALL safety and operational instructions and information on our limited warranty. Keep it for reference as long as you own this product. Do not discard.

**Warning:** To operate this Heated Blanket properly and safely, there are some critical safety precautions you need to follow. As with all electrical appliances, there is an inherent danger of overheating, fire, or personal injury if the product is not used correctly. Please read what follows before using your warming product.

- Read all instructions.
- Do not use this product with an infant, an immobile person, or anyone insensitive to heat, such as a person with poor blood circulation.
- Do not tuck in the wired area of this product. Do not trap or pinch electrical cords in any way.
- Do not use pins.
- If improper operation of this product is observed, discontinue its use immediately and consult the manufacturer or the dealer regarding its repair.
- NEVER use your Heated Blanket with an air mattress.

**WASHING INSTRUCTIONS**

- Disconnect the cord from the Heated Blanket by pinching sides and pulling.
- NEVER submerge cords, power supply, or control unit.
- Machine wash on gentle cycle and in warm water.
- Never Dry Clean this Heated Blanket. Cleaning solvents may damage the wiring insulation.

**DRYING INSTRUCTIONS**

- Tumble dry on low heat.
- Ensure that your Heated Blanket has enough room to tumble freely.
- If using a commercial dryer, use air dry or low setting.

**IMPORTANT: NEVER PLUG IN YOUR HEATED BLANKET WHILE DAMP**

- The Heated Blanket should never be folded, balled up, or bunched in any way when in use. This may result in overheating.
- Wrapping of the cord around the controller may damage the cord. Loop loosely when storing.
- Polarized plug blade (one that is wider than the other) as a safety feature. This plug will fit into a polarized outlet only one way. If the plug does not fit fully into the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not attempt to defeat this safety feature.

- Never use Bleach
- For hand washing, wash the Heated Blanket by hand in warm water using a small amount of mild laundry soap or detergent. NEVER rub or scrub. Rinse thoroughly in warm water until all traces of soap or detergent are gone. Squeeze excess water out by hand.

- Never iron your Heated Blanket
- For line drying, dry your Heated Blanket by simply draping it over two parallel clotheslines or a shower rod.
- Never iron your Heated Blanket
