STAY WARM

This product is designed to lay flat. Having the blanket folded can reduce warmth output. This product is not designed for intense heat like a heating pad, but instead for all night warmth. If you need extra warmth, add a light blanket or comforter.

AUTOMATE

Secure Comfort heated blankets and mattress pads can be configured to work with automatic timers and smart home outlets. Please check the manual for details.

BEWARE

DO NOT USE this product if you are a diabetic or otherwise insensitive to heat. Do not use with anyone unable to remove the blanket without aid.

If you like your product, we would love to have your 5 star review!
