Stay at Home and Keep Positive

veenacrownholm To be honest...After having my morning decaf ☕ and reading the newspaper...I felt pretty meh today. Most days I'm super positive and embracing this rare time at home (I've learned more new recipes and actually had time to craft which I really love) but some days I miss all our old freedoms. Today was one of those days where going to a workout class and seeing a friend for a coffee would have been a game changer, but alas not possible. I know I'm not alone feeling like this some days. We all are in this together and not every day is a good day. Today's solution: I put on some makeup and got out of my sweats, put on real clothes 🥰 and went to pick oranges in the front yard 🍊

stuartbrazell Asher's first dance challenge! I've been dancing everyday since quarantine started, and it makes such a difference in my happiness! Whether attempting the latest @tiktok dance or joining @mkik808's daily live cardio dance sessions, it feels good to move my body! Swipe left for a dance I created to @robynkonicchiwa's #dancingonmyown and left once more for what a family workout with a toddler looks like. 🥰 Have a beautiful day and move your body!! 🥰 Wearing @cabiclothing in the first video and @niyamasol yoga pants in the third. #stUARTSAYS #ahichallenge #dancechallenge #styledbystUART #tiktokdance #MomLifeIsTheBestLife

I hope you learn to embrace the person you are becoming with more and more grace each day. As you hold them gently, thank them for showing up, for showing you freedom, for showing you joy, for shedding light to the magic that you already were. And while you celebrate this full bloom, I hope you give acceptance to the bud. The bud that showed you just how much you truly have bloomed, the bud that reminds you to move forward, reminds you not fold back into yourself. I hope you celebrate both the person you were, the person you are and the person you're becoming. And I hope you find yourself gasping at the sight and reveling, "ah, there I am." 🌸💛 #beautifullymadewithintention

This is how I garden to support @mealsonwheelsamerica and my @fashionmamas squad! I knew this @cabiclothing set was perfect for this week's #FMStayHomeLookbook 🌸 Everyday I walk through our garden, although I admittedly do not have a green thumb I'd like to learn. Feel free to DM or comment with any suggestions on fool proof gardening ideas! Beauty details on this look: @oxygenetix breathable foundation, @gloskinbeauty cream stay eyeshadow stick, @vipeel #vidermbeauty SPF 50 Daily UV Defense, I let my hair air dry and then brushed with @oliviagardenint smooth + shine brush and finished with @colorwowhair's Pop & Lock High Gloss Finish.
