To Whom it May Concern,

My name is Allison Freeman and I am a volunteer with Love of Labs Indiana. LOLIN will be having our third and fourth Designer Bingo events in February and August 2024. Our February event will be in Noblesville, and the August event will be in Greenwood. We are hoping you can consider Love of Labs in planning your 2024 donations.

Our mission is to rescue Labrador Retrievers and Labrador mixes from euthanasia. Love of Labs has rescued many dogs with extensive medical needs, and our costs are greater than ever. Every person in our organization is a volunteer so every penny raised and donated goes straight to the care of our dogs.

Next year, as the last two years, we are expecting 300 guests for each event. We would be happy to provide social media posts while tagging your business along with being on our sponsor cover sheet for the evening. We would also be happy to pass out any marketing materials the evening of the event about your company.

Thank you for your consideration to LOLIN.
