

RUS CREATION AT A GLANCE.....

- RUS CREATION is in the textile business since 2015.
- Designing, manufacturing, and exporting fine textile goods across the globe.

COMPANY PROFILE

- RUS CREATION has been in the textile printing and fabric manufacturing since 2015 and started home textile exporting worldwide to Wholesalers, Importers, Retail chain stores and Mail Order Catalog companies since 2015.
 - We manufacture quality coordinating products like Cushion covers, Throws, Bedspreads, Duvet Covers, Bed sheet, Quilts, Pillows, Floor cushions, Window Blinds, Curtain Panels, Table Covers, Runners, Placemats, Napkins, and Kitchen Textiles.
 - We are manufacturing Cotton, Cotton linen blends, Cotton flax, Yarn dyed fabric by our self and using numerous types of fabrics, such as; Poly silk, Faux Suede, Organdy, Silk, Organza, Polyester-Viscose Blends, 100% Cotton, Wool, Felt, Polyester, Nylon, Tissue, Jacquard etc. Our products are accessorized with laces, beads and other trimmings. Further they are embellished through fine craftsmanship of our skilled artisans with multiple techniques of embroidery, patchwork, beadwork, printing, flocking and quilting patterns.
 - We have in-house printing facility for pigment, foil, flock, khadi and discharge.
- 

COMPANY PROFILE

- Our entire design index is created in-house by our design team based on trend analysis and color forecasts; we also can convert design requirements of our clients into finished products. we can also develop designs as per client requirements.
- We pride ourselves in maintaining; prompt correspondence, competitive prices, strict quality control and timely deliveries.
- As we manufacture fabric by our self and our in-house printing facility enable us to give competitive price, good quality products and faster delivery.
