For international shipments, we apply the terms of the International Carriage by Road Convention, which may apply and limits UPS's liability for loss or damage to cargo. International carriage by road may be subject to the Convention on the Contract for the International Carriage of Goods By Road, except as otherwise governed by international conventions or other mandatory law, the UPS Terms apply. Shipper agrees to the terms of the contract for the shipment and UPS reserves the right to route the shipment in any way it deems appropriate. Where allowed by law, shipper authorizes UPS to act as forwarding agent for export control and customs purposes. If exported from the US, shipper certifies that the commodity, technology or software is not controlled under the US in accordance with the Export Administration Regulations.
