Shipper agrees to the UPS Terms found at [www.ups.com](http://www.ups.com) and UPS service centers. For international shipments, we apply the terms of the Convention on International Carriage by Air. The Convention may apply and limits UPS's liability for loss or damage to cargo. International carriage by road may be subject to the Convention on the Contract for the International Carriage of Goods By Road, except as otherwise governed by international conventions or other mandatory law. The UPS service centers are not responsible for customs duties or taxes. Shipper agrees to pay any duties or taxes agreed upon at the time of tender of the shipment and UPS reserves the right to route the shipment in any way it deems appropriate. Where allowed by law, shipper authorizes UPS to act as forwarding agent for export control and customs purposes. If exported from the US, shipper certifies that the commodities, technology or software are not controlled under the US export regulations with the Export Administration Regulations. Diversion contrary to law is prohibited.
