refund/exchange policy

We promise to attempt a return on every item purchased in our stores or on Target.com by scanning your receipt or packing slip, offering receipt look-up or a non-receipted return or exchange with a valid form of identification. Most unopened items in new condition returned within 90 days will receive a full refund or exchange. Some items have a modified return policy that is less than 90 days. Those items will show a "return by" date under that item listed on your receipt or packing slip and on Target.com under the "item details, shipping" tab. Items that are opened or damaged or do not have a packing slip or receipt may be denied a refund or exchange. All bundled items must be returned with all components for a refund. Go to Target.com/returns for the full refund/exchange policy. Have a question about Target.com or your order? Please call Target.com Guest Services at 1-800-591-3869 or visit Target.com/contactus.
