HOW WE DETERMINE RETAIL VALUE

We use several methods in determining the retail value of product offered for sale on HSN. We may use the manufacturer's suggested retail price, shopping surveys and retail-pricing formulas. The retail value is an indication of the price you would pay to purchase an item elsewhere, not the price at which you would be able to sell the item. We encourage you to compare prices on HSN with those of retailers in your local community. Our retail value is based on nationwide information. As a result, you may find that the price for the same or similar items sold in your community may not be the same as our retail value. We believe that our retail values do not substantially exceed the highest retail price at which the item, or a similar item, is offered for sale in the HSN distribution area. For information regarding the methods we use to determine the retail value of an item, you may call our Customer Service Department at 1-800-284-3900. Our Customer Service Representatives will also be glad to give you product information, including model numbers and specifications, if available. We at HSN want to do everything we can to satisfy our customers and we thank you for shopping with us.

Return Policy Basics

For our complete return policy, visit: https://www.homedepot.com/Return_Policy

- Most merchandise must be returned within 90 days in unused, like-new condition, unless noted in our return policy exceptions on homedepot.com.
- Return all items using the original packaging, if available.
- Refunds will be credited back to the original form of payment within 3-5 business days of carrier pick-up or return in store.
- Expedited shipping costs will not be paid by The Home Depot when returning an item due to general dissatisfaction or buyer's remorse.
- Home Depot return policies apply only to items purchased from The Home Depot (in store or online at homedepot.com). Items purchased from a third-party or marketplace seller, but shipped by The Home Depot, must be returned to the selling party in accordance with their return policies. For more information, refer to our return policy exceptions on homedepot.com.
