PRIVACY POLICY

HSN is committed to protecting your privacy. Our Privacy Policy explains how we collect, use and share information. It also gives you choices about how your information is handled. To learn more, please visit hsn.com.

HOW WE DETERMINE RETAIL VALUE

We use several methods in determining the retail value of product offered for sale on HSN. We may use the manufacturer's suggested retail price, shopping surveys and retail-pricing formulas. The retail value is an indication of the price you would pay to purchase an item elsewhere, not the price at which you would be able to sell the item. We encourage you to compare prices on HSN with those of retailers in your local community. Our retail value is based on nationwide information. As a result, you may find that the price for the same or similar items sold in your community may not be the same as our retail value. We believe that our retail values do not substantially exceed the highest retail price at which the item, or a similar item, is offered for sale in the HSN distribution area. For information regarding the methods we use to determine the retail value of an item, you may call our Customer Service Department at 1-800-284-3900. Our Customer Service Representatives will also be glad to give you product information, including model numbers and specifications, if available. We at HSN want to do everything we can to satisfy our customers and we thank you for shopping with us.

PRIVACY POLICY

HSN is committed to protecting your privacy. Our Privacy Policy explains how we collect, use and share information. It also gives you choices about how your information is handled. To learn more, please visit hsn.com.

HOW WE DETERMINE RETAIL VALUE

We use several methods in determining the retail value of product offered for sale on HSN. We may use the manufacturer's suggested retail price, shopping surveys and retail-pricing formulas. The retail value is an indication of the price you would pay to purchase an item elsewhere, not the price at which you would be able to sell the item. We encourage you to compare prices on HSN with those of retailers in your local community. Our retail value is based on nationwide information. As a result, you may find that the price for the same or similar items sold in your community may not be the same as our retail value. We believe that our retail values do not substantially exceed the highest retail price at which the item, or a similar item, is offered for sale in the HSN distribution area. For information regarding the methods we use to determine the retail value of an item, you may call our Customer Service Department at 1-800-284-3900. Our Customer Service Representatives will also be glad to give you product information, including model numbers and specifications, if available. We at HSN want to do everything we can to satisfy our customers and we thank you for shopping with us.

HOW TO RETURN MERCHANDISE

2. Pack the item for shipment and include all accessories, parts and pieces for a full refund.
3. Detach the middle portion of the packing slip and include it in the box with the item you're returning.
4. Affix the return label directly **OVER THE ORIGINAL SHIPPING LABEL**.

PRIVACY POLICY

HSN is committed to protecting your privacy. Our Privacy Policy explains how we collect, use and share information. It also gives you choices about how your information is handled. To learn more, please visit hsn.com.

HOW WE DETERMINE RETAIL VALUE

We use several methods in determining the retail value of product offered for sale on HSN. We may use the manufacturer's suggested retail price, shopping surveys and retail-pricing formulas. The retail value is an indication of the price you would pay to purchase an item elsewhere, not the price at which you would be able to sell the item. We encourage you to compare prices on HSN with those of retailers in your local community. Our retail value is based on nationwide information. As a result, you may find that the price for the same or similar items sold in your community may not be the same as our retail value. We believe that our retail values do not substantially exceed the highest retail price at which the item, or a similar item, is offered for sale in the HSN distribution area. For information regarding the methods we use to determine the retail value of an item, you may call our Customer Service Department at 1-800-284-3900. Our Customer Service Representatives will also be glad to give you product information, including model numbers and specifications, if available. We at HSN want to do everything we can to satisfy our customers and we thank you for shopping with us.

HOW TO RETURN MERCHANDISE

1. Select the return reason code from the options listed on the return instructions section (on the front). Refunds will be issued to the original payment type used. It may take up to two billing cycles for the credit to appear on your monthly statement. For no refund and close-out items, you'll receive a store credit valid for one year.
2. Pack the item for shipment and include all accessories, parts and pieces for a full refund.
3. Detach the middle portion of the packing slip and include it in the box with the item you're returning.
4. Affix the return label directly **OVER THE ORIGINAL SHIPPING LABEL**.
5. Ship the package back using the carrier of your choice. Please insure your package in case of loss or damage.
6. To return a gift or exchange an item, call our Customer Service Department at 1.800.284.3900.

PRIVACY POLICY

HSN is committed to protecting your privacy. Our Privacy Policy explains how we collect, use and share information. It also gives you choices about how your information is handled. To learn more, please visit hsn.com.

HOW WE DETERMINE RETAIL VALUE

We use several methods in determining the retail value of product offered for sale on HSN. We may use the manufacturer's suggested retail price, shopping surveys and retail-pricing formulas. The retail value is an indication of the price you would pay to purchase an item elsewhere, not the price at which you would be able to sell the item. We encourage you to compare prices on HSN with those of retailers in your local community. Our retail value is based on nationwide information. As a result, you may find that the price for the same or similar items sold in your community may not be the same as our retail value. We believe that our retail values do not substantially exceed the highest retail price at which the item, or a similar item, is offered for sale in the HSN distribution area. For information regarding the methods we use to determine the retail value of an item, you may call our Customer Service Department at 1-800-284-3900. Our Customer Service Representatives will also be glad to give you product information, including model numbers and specifications, if available. We at HSN want to do everything we can to satisfy our customers and we thank you for shopping with us.
